GENERAL ASSEMBLY

Keep us in your prayers as we are still away following General Assembly. As you read this, we have begun taking a 5 day vacation. In our absence some very capable people are filling in. Mark Nibling is preaching today, Bro. Pitts was in charge of the July 28 Wednesday night Bible study, and Christine Johnson will be teaching in the August 4 Wednesday Bible study.

In case of emergency, you can contact our church clerk, Vickie Diorio.

YOUTH GROUP MEETINGS

Our Youth will kick-off the new season on Saturday, August 14, 6-8 p.m., with a cookout for them and their immediate family. Regular meetings will then begin on Saturday, September 4, 6-8 p.m. The curriculum used will be "To Save a Life."

STATISTICS DON'T LIE!

How to stay safe in the world today!

Where IS the Safest Place?

1. Avoid riding in automobiles because they are responsible for 20% of all fatal accidents.
2. Do not stay home because 17% of all accidents occur in the home.
3. Avoid walking on streets or sidewalks because 14% of all accidents occur to pedestrians.
4. Avoid traveling by air, rail, or water because 16% of all accidents involve these forms of transportation.
5. Of the remaining 33%, 32% of all deaths occur in Hospitals. So, above all else, avoid hospitals.

But...You will be pleased to learn that only .001% of all deaths occur in worship services in church, and these are usually related to previous physical disorders. Therefore, logic tells us that the safest place for you to be at any given point in time is at church!

And... Bible study is safe too! The percentage of deaths during Bible study is even less.

So, attend church, and read your Bible...IT WILL SAVE YOUR LIFE!

For no matter how many promises God has made, they are "Yes" in Christ. And so through him the "Amen" is spoken by us to the glory of God.
- 2 CORINTHIANS 1:20 NIV
